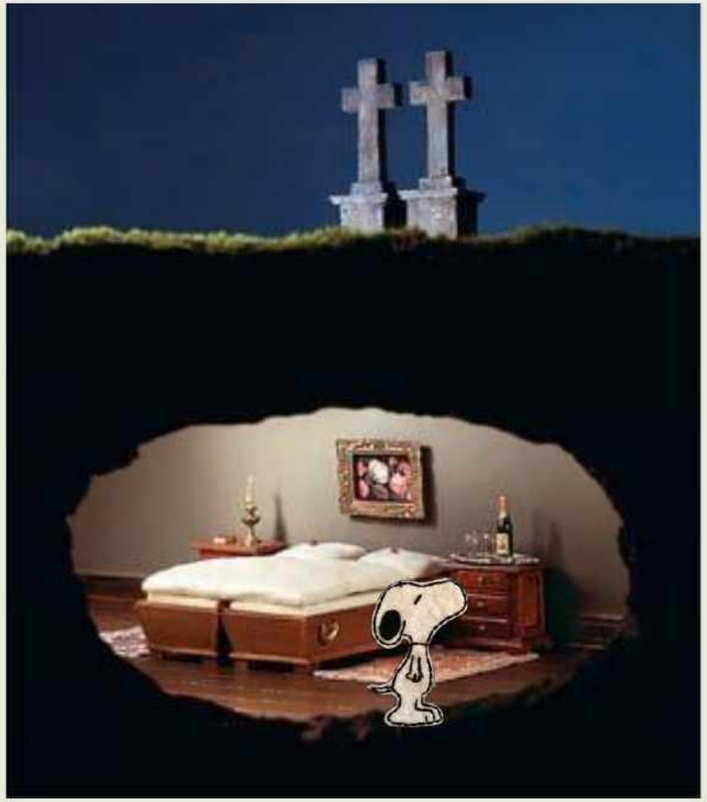
CREATIVE DIRECTION

'THE FULL SET'

VISUAL IDENTITY AND WEB DESIGN

CONCEPT: PLAYFUL EDITORIAL SURREALISM + STYLISH ABSURDITY

FOR ANNA THORESEN.



THE VISUAL DIRECTION BALANCES STRUCTURE AND PLAYFULNESS. WHILE THE PALETTE STAYS CONSISTENT TO KEEP THE BRAND GROUNDED, THE COMPOSITIONS BREAK THE RULES—MIXING SURREAL IMAGERY, HYPERPOP ENERGY, AND EDITORIAL LAYOUTS TO CREATE SOMETHING PLAYFUL, EXPRESSIVE, AND FAR FROM GENERIC.

THE GOAL IS TO CREATE SOMETHING UNIQUE IN A COOL WAY, NOT CRINGE—THE KIND WHERE THE COOLNESS IS SO STRONG THAT THE ~~CRINGE DOESN'T EXIST AT ALL.~~

"THE VISUAL IDENTITY EMBRACES SURREAL AND PLAYFUL MOMENTS WHILE MAINTAINING A CONFIDENT (ATTITUDE). IT FEELS COOL, SLIGHTLY STRANGE, AND EXPRESSIVE – PLAYFUL CHAOS, BUT NEVER CHEAP OR CARELESS."

{LOGOTYPE OPTION 01}

primary logo

Molten
TASLA

secondary logo

Night Wanderer

Scallywag
CIVILITE NO 8

Prague

THIS DIRECTION LEANS TOWARD A MORE EDITORIAL SERIF STYLE. THE LOGO STAYS RELATIVELY SIMPLE AND NOT OVERLY DECORATIVE, ALLOWING IT TO WORK WELL AS A STRONG PRIMARY LOGO. ITS STRUCTURE HELPS KEEP ANNOUNCEMENTS WITH MANY SHOW DATES CLEAR AND READABLE WHILE STILL CARRYING A REFINED VISUAL PRESENCE.

the secondary logo appears in more visually dense compositions, such as press visuals, cover artwork, or announcements with only one or a few show dates. in these cases, the design often relies more on photography, textures, or contrast, so the logo becomes simpler to balance the layout and sit naturally within the visuals.

{LOGOTYPE OPTION 02}

primary logo

secondary logo

THIS DIRECTION INTRODUCES A MORE EXPRESSIVE AND PLAYFUL TYPOGRAPHIC STYLE. WHILE STILL DESIGNED TO FUNCTION CLEARLY AS A PRIMARY LOGO, THE LETTERING BRINGS MORE PERSONALITY AND ENERGY TO THE IDENTITY, GIVING THE BRAND A SLIGHTLY MORE EXPERIMENTAL AND CHARACTER-DRIVEN FEEL.

the secondary logo appears in more visually dense compositions, such as press visuals, cover artwork, or announcements with only one or a few show dates. in these cases, the design often relies more on photography, textures, or contrast, so the logo becomes simpler to balance the layout and sit naturally within the visuals.

THINK OF THE BRANDING LIKE:
"THIS IS ABSURD, BUT YOU BARELY NOTICE IT BECAUSE IT LOOKS COOL."

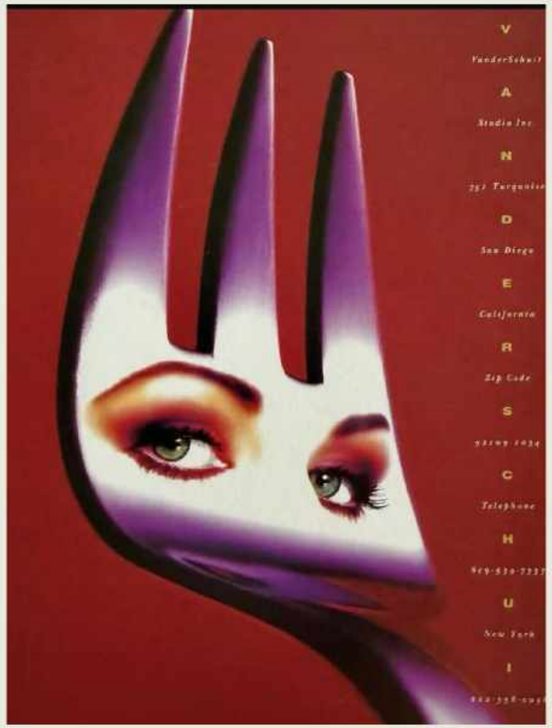
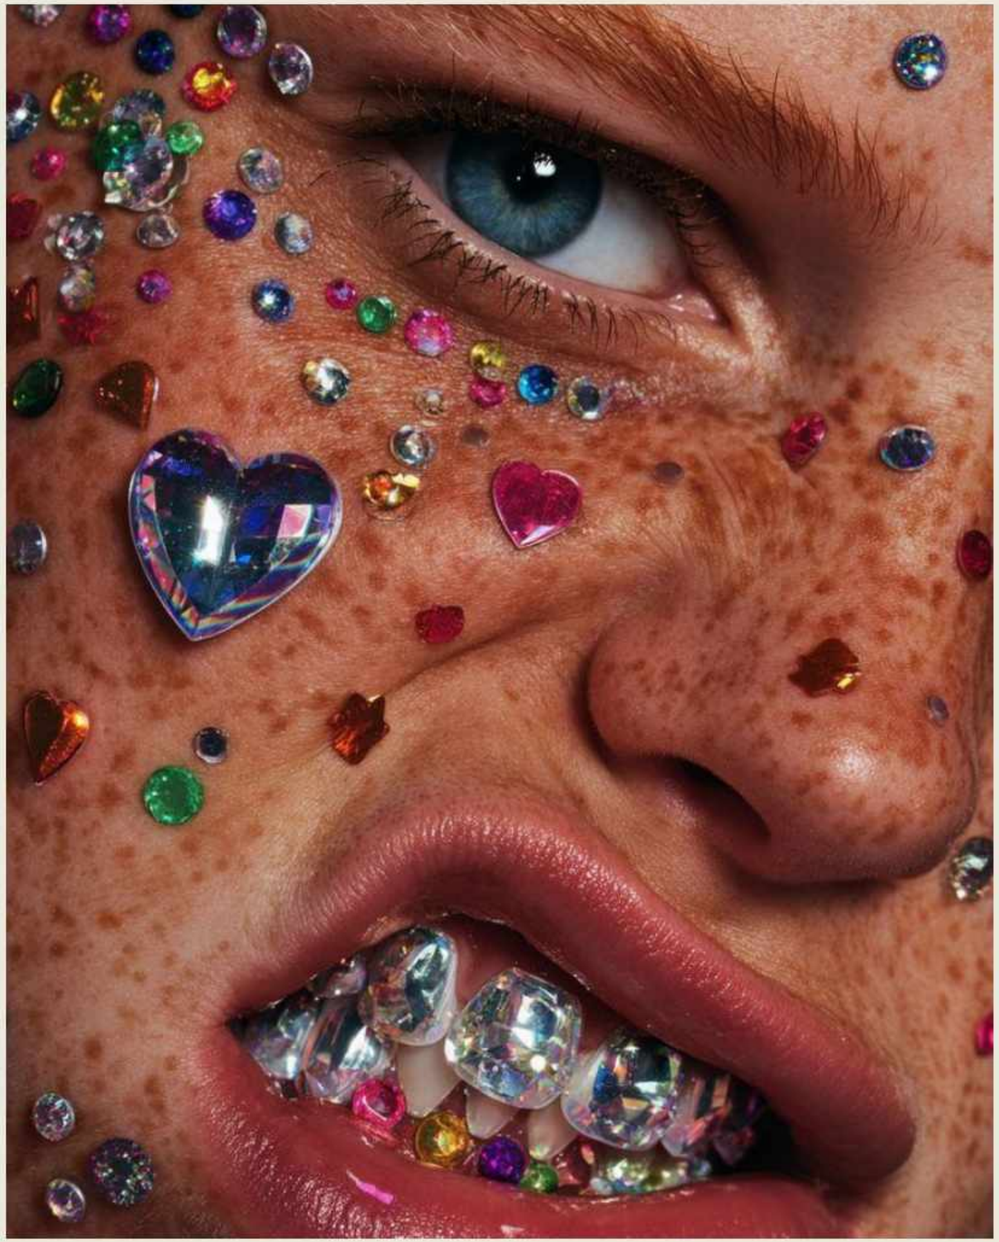
{COLOR PALETTE}





THE PALETTE GROUNDS THE VISUALS EVEN WHEN COMPOSITIONS BECOME PLAYFUL OR CHAOTIC. COLORS ARE DRAWN FROM THE IMAGERY ABOVE, MIXING VIVID TONES WITH SHADES THAT FEEL NATURAL TO SKIN, PAPER, AND TEXTURED SURFACES.
